Rich Delgado

Lifegroup Coordinator

It's a new year and new semester for Life Groups and Serve Groups! Last semester there were many great moments, testimonies, and relationships grown, all to God's glory. This semester the joy of fellowship will continue as we love God and love each other. Please make sure you don't miss the fulfilling experiences and friendships by signing up and attending one or more of many of the diverse groups available at both campuses.

These groups are the best way we as a church body connect.

It's in our spiritual DNA. I encourage you to not only join a group but find a way to give away what the Lord has placed in you, whether it be time, talent, compassion, ideas, etc. All of these things return benefit tenfold to others.

Life Group and Serve Group leaders are poised to be a part of your closer walk with Jesus. They are "doing business with what they have been given," and I hope you participate with them in the Christian journey. If you are interested in leading a Life or Serve Group, GREAT! Please contact me.
