Whether we know it or not, we all need relationships. God calls us into relationships as an essential part of life and fulfilling our destiny. Connecting with others through the twists and turns of everyday life not only brings joy into our lives, it also carries with it the potential for miracles.

Jesus did countless miracles, but of all the ones He performed, how many of them happened inside the church?... Hardly any... Almost all of Jesus's miracles took place in the marketplace, by the ocean, or somewhere in the mix of people's everyday life. What does that mean? It means that Jesus loves to do miracles in our every-day lives, and that's what Lifegroups are all about.

Miracles and life change happens in the context of relationships, so whether you're considering joining a walking Lifegroup, God & Guns, or a group that does crocheting, never underestimate what God can do in your life or through your life for someone else in a Lifegroup.

As you consider what group to join, here are some clear goals we have for people through Lifegroups:

- **Connect:** to connect you to other people
- **Serve:** to provide an opportunity for you to give your life away
- **Invite:** to be a place to reach people that may or may not attend church
- **Give:** to promote growth in the giving of your time, your talents, and your treasures.
